FIREWORKS AT RIVERSIDE PARK - CANADA DAY 2022

Since 1992, the Rotary Club of Guelph has partnered with the City of Guelph to celebrate Canada Day In The Park including the fireworks show at night. In both 2020 and 2021, Covid restrictions stopped all such community events, but this year the Canada Day fireworks are back! The show will take to the skies at Riverside Park starting at 10pm on Friday, July 1.

WE NEED VOLUNTEERS! Rotary will raise funds by collecting donations at the park before the fireworks, from 8pm. A few volunteers are needed to help keep certain areas clear of people, and our volunteers will also help to ensure that the crowd exits the park safely after the fireworks.

TO SIGN UP, PLEASE CLICK ON THE BLUE BOX TO THE LEFT
