PEOPLE OF ACTION

Our club offers opportunities for our members to get involved and make a difference.

Through meetings, events, and volunteer projects, we learn about the issues facing our community and globally.

We meet weekly and through our fellowship, strong friendships and business connections are established.

Our club is a proud part of Rotary International, a global network of more than 1.2 million people who are dedicated to making change in the world.

Chartered in 1991, Guelph Trillium has 56 members, made up of men and women from diverse backgrounds and different age groups..

MAKING A DIFFERENCE

Solving real problems takes real effort, commitment, and vision.

Rotary addresses issues of disease prevention, safe water, maternal and child health, literacy and education, economic development the environment and peace.

Here are some of our projects:

- Scholarships for Youth
- Environment
- Food4Kids
- Seniors Bingos
- Uyondo School, Uganda
- Ending Polio
- Ribfest
- Tour de Guelph

We also get involved in community service with local organizations, providing hands-on support.

GET INVOLVED

Becoming a member enables you to make an impact - both here and around the world.

We invite you to visit our club, meet our members and find out more about us, what we do, and the opportunities available to get involved.

We meet weekly at 7:30 am, currently on Zoom and each week we have an interesting guest speaker.

Launched in 1998, Ribfest Guelph has raised over \$1.2 Million for local community and international projects. It's a win-win annual festival where the community gets to enjoy great music and delicious food while we get to generate money to serve the needs of the less fortunate in our community.
