

## What We Contribute

RCOT is part of Rotary International's 1.2 million members.

We raise funds through projects like Oakville Family Ribfest in June and the Rotary Online Auction in November.

RCOT actively encourages youth to develop leadership skills and to attend post-secondary education.

## Rotary Club of Oakville Trafalgar

A local volunteer group of men and women who raise money to help those in need in our community and beyond.

Weekly lunch meetings are held on Thursdays that focus on fun, fellowship and positive achievement.

# Service Above Self

## Club Background

Since 1978, the members of the Rotary Club of Oakville Trafalgar have worked together to give back to our local and international communities.

The club has a diverse demographic spanning a multitude of vocations.

Members value the personal relationships they develop while providing service to others.

## Getting Together

Members attend a weekly lunch meeting where a quality meal is provided at market prices.

The weekly lunch meetings are an opportunity for members to engage in conversation, listen to speakers and to discuss projects and ideas.

We also celebrate personal and club successes.

## Helping Others Help Themselves

The Rotary Club of Oakville Trafalgar provides financial support to a variety of worthy causes.

Club members participate in the raising of funds through a number of different events.

Every dollar raised for supported charities and organizations goes to the causes that have been identified by the club committees.
