The Rotary Clubs of Oakville Trafalgar, Milton, Mississauga West, Kitchener, Burlington North and Mississauga Meadowvale -- have joined together for what will be our largest Rotary online auction ever.

Rotary clubs are not for-profit organizations in communities around the world. Our fundraising efforts always go to back into the community where the monies are raised; not to administration.

Internationally, all Rotary Clubs support eliminating polio, clean water and sanitation.

We are asking businesses for donations of their product or services for our online auction; your item will be showcased to thousands of potential customers, while contributing to a great cause. Your business logo will also be promoted alongside the item you have donated. Last year our web site was viewed more than 150,000 times and had almost 5,000 bids.

If you do not have a product or service to donate, you may become a sponsor for \$250 and your business will be promoted on the auction internet site.

If you have any further questions please email us at [info@rotaryonlineauction.ca](mailto:info@rotaryonlineauction.ca) or call 289 813-5540.

Thank you in advance for making our Rotary Online Auction a success!
