

## Paul Harris Fellows: RCOW 1985 to January 2022

*The Paul Harris Fellowship Award is one of the highest honours Rotary can bestow upon a person. Community recipients and local Rotary Club member recipients are awarded Harris fellowships to recognize their outstanding contributions to their communities while exemplifying the high ideals of Rotary when they place "SERVICE ABOVE SELF".*

This honour accompanies a donation by the Rotary Club of Oakville West in the recipient fellow's name of \$1000 or more to the Rotary International Foundations's "Annual-Program-Fund" which itself supports Rotary's world-wide programs.
