Rotary Club of Orangeville Highlands

Service Above Self

Who Are We?

We are busy women and men in the business community just like you! Our members joined because they were looking for a way to connect with and serve the community that they live and work in. From young parents to those with grandchildren, and everything in between, our membership is diverse.

What Do Our Members Love About Rotary?

Connection to the Community - It is an opportunity to give back to, learn about and be involved in the community, both locally and internationally.

Friendship – Many join for the humanitarian spirit and the networking opportunities, but stay because of the great fellowship and friendships formed.

Flexibility – We respect the fact that everyone has busy times in their lives. Members attend meetings when they can and chose which projects they want to participate in. Rotary is what you make of it – you get out of it what you put in.
