ABOUT KIDSABILITY

Founded and supported by Rotarians since 1957, the mission at KidsAbility is to empower every child to realize their full potential. KidsAbility supports 17,000+ children and youth in achieving communication, social, physical, and behavioral milestones each year. From birth to age 21, they support children and youth to navigate the journey from childhood to adulthood, irrespective of diagnosis. Their focus on early, family-centric services shapes brighter futures.

Last year's in person tournament raised over \$32,000 for KidsAbility thanks to the outstanding and kind support of many long-time sponsors and golfers. This brought the total amount raised by the Golf Fore KidsAbility Classic since its inception to over \$729,000 and counting!

You can help a child this year to say their first words, take their first steps, hold a pencil or spoon or even learn how to make a new friend and participate fully in our community.

More possibilities for kids, thanks to community supporters like you!
