# Golf “Fore” KidsAbility Classic

Golf Tournament Organized by Rotary Waterloo in support of KidsAbility Foundation

**Thursday, June 2, 2022**  
**Rebel Creek Golf Course**

Join us for a safe and socially distanced tournament with a shotgun start for everyone at 12:30pm.

By participating in our 22<sup>nd</sup> year, you can help make a difference for children and youth in our community. Together, we can build brighter futures.

## REGISTRATION: \$200

The full day includes lunch, round of golf with cart, on course challenges and draw prizes. Attendees are invited to join us for live music on the patio after golf (weather permitting) with Kevin Coates and Don Featherstone.

**A \$50 tax receipt will be provided after the event.**

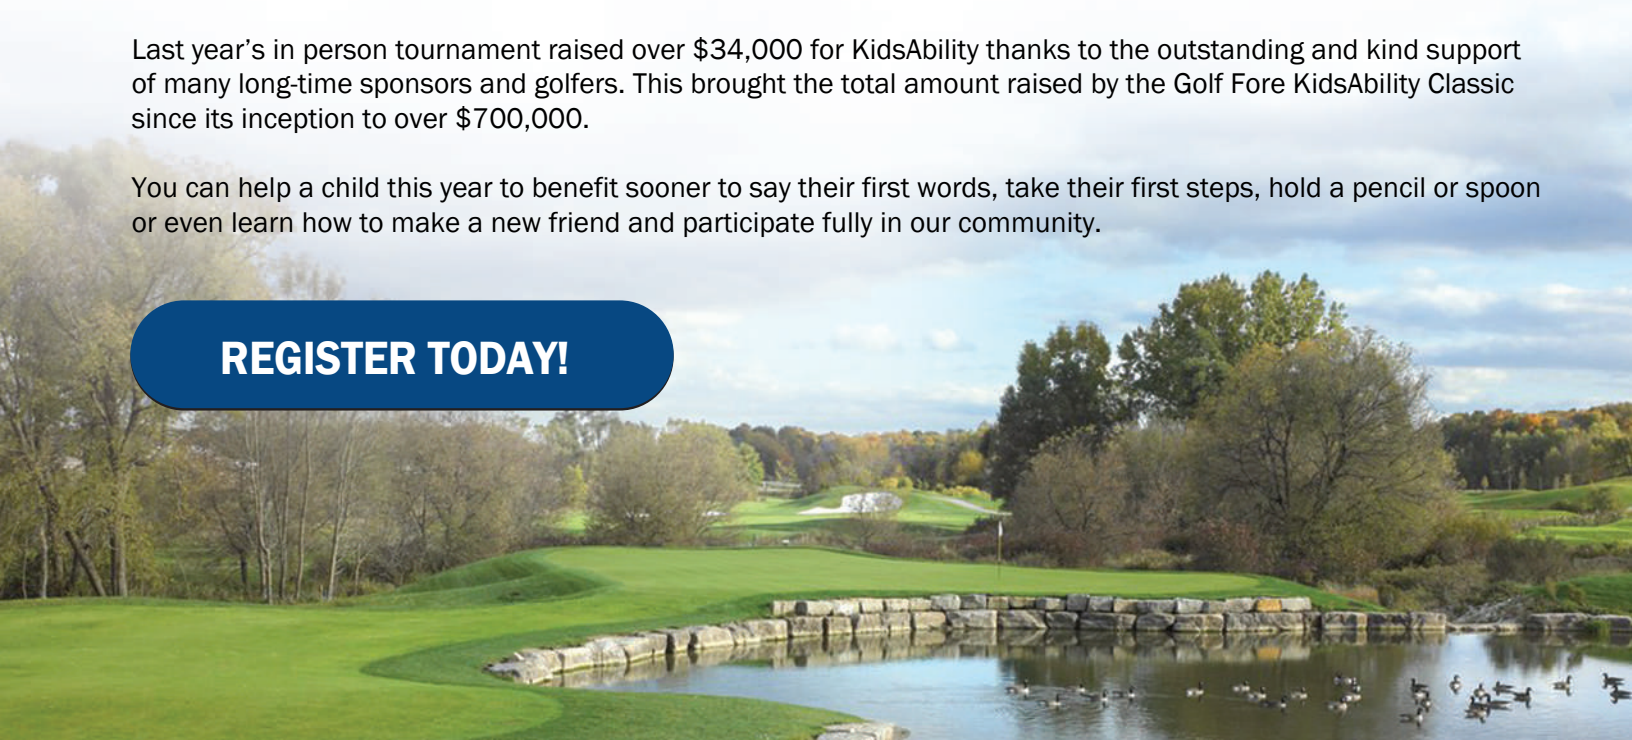

## CELEBRATING 22 YEARS IN 2022

Founded and supported by Rotarians since 1957, KidsAbility supported nearly 9,000 children and youth to reach their communication, social, physical and behavioural goals last year. Using a blended model of virtual and in-person services, they help children, youth and families to achieve great things at home, at school and in their community.

Last year’s in person tournament raised over \$34,000 for KidsAbility thanks to the outstanding and kind support of many long-time sponsors and golfers. This brought the total amount raised by the Golf Fore KidsAbility Classic since its inception to over \$700,000.

You can help a child this year to benefit sooner to say their first words, take their first steps, hold a pencil or spoon or even learn how to make a new friend and participate fully in our community.

- A tax receipt will be issued for all donations

**General Inquiries**

- For all general inquiries, contact Ben Gregory at [bgregory@walterfedy.com](mailto:bgregory@walterfedy.com) or 519-576-2150 ext. 422

**Fund-A-Need:** This year we aim to raise an additional \$7,600 in donations to purchase an interactive whiteboard (IWB) to spark and inspire learning in the classrooms at KidsAbility School. Using an IWB, teachers can project images and visuals onto an interactive touchscreen that children can see, hear, move and change with the simple touch of their hand or specialized pen. IWBs provide both group and individualized learning and are accessible to children of all abilities.

To help make brighter futures possible, [click here](#) and donate today!
