## CELEBRATING 23 YEARS IN 2023

Founded and supported by Rotarians since 1957, KidsAbility supported nearly 14,000 children and youth to reach their communication, social, physical and behavioural goals last year. Using a blended model of virtual and in-person services, they help children, youth and families to achieve great things at home, at school and in their community.

Last year’s in person tournament raised over \$34,000 for KidsAbility thanks to the outstanding and kind support of many long-time sponsors and golfers. This brought the total amount raised by the Golf Fore KidsAbility Classic since its inception to over \$700,000 and counting!

You can help a child this year to say their first words, take their first steps, hold a pencil or spoon or even learn how to make a new friend and participate fully in our community.

**Fund-A-Need:** This year we aim to raise an additional \$5,000 in donations towards the building of a new outdoor inclusive and accessible playground at KidsAbility's Waterloo site. KidsAbility's current playground was built more than 20 years ago and no longer meets accessibility requirements or the needs of the children they see today. You can help KidsAbility build a new state-of-the-art playground that will be enjoyed by children of all abilities for generations to come.
