JUNE 4TH, 2023
BARN SWALLOW FIELDS AT THATCHER FARMS

ABOUT US

Rotary International

Rotary unites people from all continents and cultures who take action to deliver real, long-term solutions to our world's most persistent issues. In communities across the globe, our 1.4 million members come together to strengthen their connections to friends, neighbours and their commitment to improving lives.

For more than 110 years, our 46,000+ clubs have used their passion and energy to take action on sustainable projects. Together, we work to promote peace, fight disease, support education, grow local economies, protect the environment, save mothers and children and to provide clean water, sanitation, and hygiene. We are always working to better our world, and we stay committed to the end.

The Rotary Club of Guelph South

Established in 2001, the Rotary Club of Guelph South supports the Guelph and Puslinch communities through fundraising and community events, while also contributing to important, global Rotary initiatives. Our goal is to create positive and lasting change by caring for those in need in our own community and making a difference in the lives of those less fortunate. We are dedicated to supporting multiple local charities, institutions, and international humanitarian projects. Along with all Rotary clubs around the world, we engage the community and its leaders to support the work of Rotary with a local, city-core focus on community, families, and children in need.

Benefits of supporting Brunch At The Barn

By partnering with Rotary Club of Guelph South as a sponsor, your company's commitment to engage in social responsibility will have a positive impact in our community by supporting our local and international charities. In addition, your company's reputation within the community will be elevated, and your staff can be proud to be associated with such a philanthropic organization!
