

# CHAMPIONS!

## 9th Annual Grate Groan-Up Spelling Bee

Posted on Oct 29, 2014

The "*Blue Grass Boys*" team from Blue North Strategies managed to nail every word they were presented with, on their way to an impressive 3rd Spelling Championship. As other teams fell from contention, it was down to the last 2 teams: "*Blue Grass Boys*" and the "*Literally Quacked*" team from the Rotary Club of Guelph-Wellington. It was a classic and exciting competition as the victorious teams from the last 2 years (Blue North in 2012, Rotary Guelph-Wellington in 2013) went head to head for this year's award. Blue North prevailed and took home - for the third time! - the coveted Spelling Champion trophy, medals and prizes.
