

Basic Needs Box Campaign

Rotaract Haliburton Highlands is once again organizing relief packages containing necessities such as food, household supplies, and day-to-day essential items that will be distributed throughout the community.

Our charitable club is comprised of a group of passionate young adults aiming to serve our community in Haliburton County. Since its induction in March of 2020, Rotaract was able to adopt a section of highway, help provide technology to those otherwise isolated, supply handmade masks to the community, orchestrate a community scavenger hunt, organize a Halloween candy fundraiser, and provide boxes filled with personalized basic needs items to 36 families during the hardest months of the COVID-19 pandemic thanks to a generous grant. These large Basic Needs Boxes were packed by Rotaractors, filled with food and other necessary household items, and then delivered directly to the doorsteps of recipients.

We couldn't have made our first year of existence this successful without the overwhelming support of our wonderful community.

Thank you!

We hope to make our Basic Needs Box Campaign equally as successful this year. In order to carry out this project, we require more funding from generous community donors. If you or your business wish to support this cause by sponsoring a box, half a box, or providing a donation, please see the information attached.
