SERVE TO CHANGE LIVES

The meeting of the Rotary Club of Lindsay was held at the Lindsay Golf and Country Club. With 5 members present, we welcomed our guests from Peterborough: Brenda Booth, Past President (and Bill Hughes' sister), Lynne Chant, Past District Governor, and Wesley Letsholo all three members of Rotary Club of Peterborough Kawartha.

Today's groaner: A guy goes into a club, walks up to the bar and asks the bartender for champagne to celebrate a special occasion. The lady seated next to him says what a coincidence that they were both drinking champagne and asks what he is celebrating. The guy explains that he is a chicken farmer and that after a very long wait, every one of his hens is finally laying eggs and he then asks what the lady is celebrating. She explains that after a very long time of trying, she is finally pregnant and asks the farmer how he got all the hens to producing eggs. He explained that he went out and found a new rooster to which the lady replied "oh my, what a coincidence".

The Door Prize: President Adam asked our guest Wesley to draw the winning ticket. Since there were many tickets and only eight eligible, Wes had to draw a couple before he got a winner which happened to be his. Congratulations Wesley.

Updates/Reports and Reminders:

- The final funds have been authorized by the District for the completion of the asphalt paving at the washroom project at Wilson Fields.
- RI President Elect Jennifer Jones is going on a cross country tour

beginning in Ottawa June 29th. On July 5th, she'll be in Toronto. Watch your inbox for ways to participate. *(On Monday 20th, Heather Hebert by clubrunner email from John Coxon, has invited us to fill a few openings to participate in the Food Packing Project relative to Pres. Jones visit to Toronto.)*

-The **2023 Rotary International Convention** is being held in Melbourne Australia, May 27-31, 2023. Register before 15 December for a discount.

PDG Lynne put on her District Environmental hat and reminded us that District sent out a spread sheet for us to fill in details of any environmental clean-up we had undertaken. The information will be presented to RI Pres. Jennifer who will use this information to illustrate just how important it is for Rotary to continue working and contributing to the seventh area of focus.

Rotary's Great Ontario Fishing Raffle Final Draw June 25th!

Ticket sales end midnight June 24.

Many of you have bought tickets.
Thank you for stepping up.

There are 17 clubs in this project. *We don't want to be the 17th in sales.* Please send or give a copy of the picture below to 2 people and if they aren't interested, ask them to help you out by giving it to two other people. Only a day left!

Who is the facebook wiz in your family? Find the raffle page on facebook and give it a like or add it to your story. Or, link it to your business social media. Go to Instagram and find the Raffle. They post every day. All you have to do is like it and comment "awesome" or "great boat" and the site will take it from there.

I'm told that pro fishermen have given the thumbs up for both of the lodges that are hosting the second prize winners. Do you know a fisherperson who would enjoy a week away at a northern lake? Send them the link.

All ticket sales are online. Don't forget, winners have to be a resident of Ontario and at least 18 years old.

Please go to the website!!

I have seen an X20 on the water. It has reconfigurable seating to accommodate casting both forward and aft or a day of pleasure cruising/ water sports with the family. It boasts lots of freeboard for safety and looks very good underway on the lake.

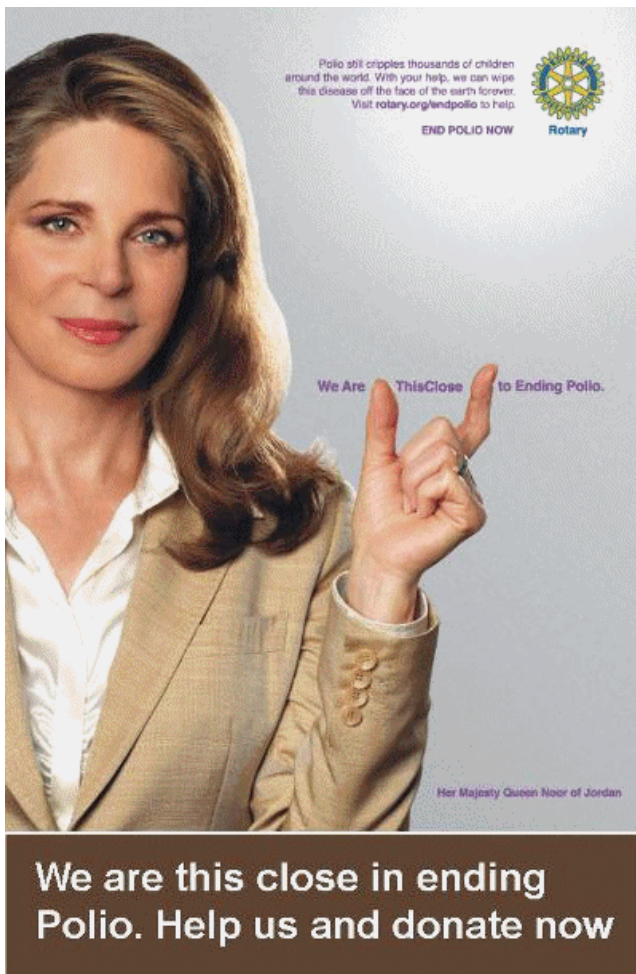

President Adam and Mike Puffer each have 20- 11"X17" posters and I have the rest. Look one of us up and get some posters! We are counting on the membership to distribute them to any and all businesses, and other venues for display. There's only 100. That's not many if everybody pitches in.

Family of Rotary:

Rohan reports that since our last meeting, there is only one couple celebrating. John and Maria Bennett have marked 55 years of marriage.

Congratulations. 🎉

presented every ten years in perpetuity if there were no fatalities in the village due to the plague. The villagers have been faithful to their promise with only two exceptions WW2 and Covid. John reports that it was an amazing experience!

😊 John Hunter was happy to see two Canadian golfers winning pro tourneys this past weekend.

😊 Larry was just happy to be at the meeting.

😊 Al is happy that he has no glaucoma.

😊 Brenda is happy to be in attendance today also that her brother Bill is coming to visit.

😞 John Coxon announced that Bernie is no longer doing Bernie Bucks

😊 Changeover from DG Stephen Meadley to DGE Richard Denton will be on June 30 in Sudbury.

😊 😞 Fines and Announcements

😊 Today's finemaster levied a fine. Every member not in attendance today owes a dollar.

😊 John Bennett on 55 years and the Passion Play in Oberamergau. On their trip there, John and Maria witnessed an amazing presentation by 2000 volunteers (half the population of the town), from their seats in the 30th row of a 4000 seat covered theatre. The origin of the play was a result of a promise made to God during a plague in 1633 that the play would be

Past Presidents:

1976-1977

President - Peter Milner

Secretary - Jack Beall/Claus Ott

Next Meeting: JUNE 27th.

Recognizing President Adam's Covid prolonged Presidency.

Mike and John C. are presently working on the club presence on Facebook and other aspects of social media. (When Mike gets back)

Meeting Adjourned.

Dr. Hamid Jafari, director of polio eradication for the World Health Organization's Eastern Mediterranean Region, shared an update on Rotary's progress in ridding the world of polio. "Through your entrepreneurial spirit, you have energized and inspired other partners to never give up. You are the glue that holds us all together, motivated and accountable," he said. "You have led us from the start of global efforts to eradicate polio, and we will be together at the end of polio."

Whatever Rotary may mean to us, to the world it will be known by the results it achieves.
