SERVE TO CHANGE LIVES

The meeting of the Rotary Club of Lindsay was held at the Lindsay Golf and Country Club on a warmish spring day. (technically is isn't summer for a little while) About half of the club members chose to be present. Acting Sgt. at Arms welcomed Heather Hebert and Sylvia Brumwell who are technically guests but pretty much members of the family. President Adam followed with some serious business, that being **today's groaner**.

A couple of guys were at the tee and one guy took an inordinately long time to get himself set up to take a swing at the ball. His buddy was getting exasperated and finally asked what was the hold up. First guy explains that his wife is watching from the clubhouse and he wants this to be a perfect shot. Second guy says “forget it buddy, you’ll never hit her from here”. *(that’s why Adam called it a groaner)*

The Door Prize:

A relic from pre-covid days has made a welcome return. The winning ticket today was drawn by guest Sylvia and won by non other than Garry. (who happened to be in the same car when they arrived today, hmmm 😊)

President Adam’s Updates:

President Adam still has time for **End Polio Now Tulip** orders. \$25 per box to be delivered in time for planting in the fall. Last year the project contributed \$180,000 to the End Polio Now Campaign. Contact Pres. Adam at his store or on the phone or there’s even a link to email him on the list of executive on the page above. Just click on his name

This initiative, begun so many years ago is nearing the point where all the efforts of so many people are coming to a point... the eradication of a disease that has plagued our whole world, for so many years, taking millions of lives while changing millions more. As I think about it, I am a little proud that I am a member of an international group that is working so hard toward this goal and I feel good to be able to say, I helped a little. Share that feeling with me, give a little. You will be able to say you helped eradicate a disease from the face of the earth. And that’s no small feat.

Order Tulips from Adam or call John Coxon and he will help you donate.

- RI President Elect Jennifer Jones is going on a cross country tour

beginning in Ottawa June 29th. On July 5th, she'll be in Toronto. Watch your inbox for ways to participate.

-The Rotary International Convention is being held this week in Huston Texas, June 4-8, 2022 .

Rotary’s Great Ontario Fishing Raffle Final Draw June 25th!

Many of you have bought tickets. Thank you for stepping up.

Reported to me after our meeting: Ticket sales in support of Lindsay club total \$3510.00 or 4.44% of total sales. There are 17 clubs in this project. We don’t want to be the 17th in sales. Send or give a copy of the picture below to 2 people and if they

aren’t interested, ask them to help you out by giving it to two other people.

Who is the facebook wiz in your family? Find the raffle page on facebook and give it a like or add it to your story. Or, link it to your business social media. Go to Instagram and find the Raffle. They post every day. All you have to do is like it and comment “awesome” or “great boat” and the site will take it from there.

I’m told that pro fishermen have given the thumbs up for both of the lodges that are hosting the second prize winners. Do you know a fisherperson who would enjoy a week away at a northern lake? Send them the link.

Maybe there’s a guy out there who would like a ticket for father’s day? If you buy 4, make sure the same name is on all four tickets.

All ticket sales are online. Don’t forget, winners have to be a resident of Ontario and at least 18 years old.

Please go to the website!! Learn about your product. You can’t sell it if you don’t know what it is.

greatrotaryraffle.ca Buy tickets, or you can focus the camera of any smart phone on the QR code (that's the little blue square filled with squiggly lines) embedded in the logo above. It will take you to the website page where you and your friends/family can purchase tickets. **And**, you can copy/email/photograph that logo to your cell phone so others can buy tickets using the QR code from your cell phone. It's easy enough to add the QR or URL to any email that you send to get it in front of anyone that might be interested. It's easy. I've done it.

President Adam and Mike Puffer each have 20- 11"X17" posters and I have the rest. Look one of us up and get some posters! We are counting on the membership to distribute them to any and all businesses, and other venues for display. There's only 100. That's not many if everybody pitches in.

Next Meeting: JUNE 6th.

Special meeting: Planning meeting for on going procedures after June.
Meetings will be held on the 2nd and

4th Monday of the month, the first meeting will have a speaker and the second will be reserved for club and other Rotary business. Since covid is not a threat at this point in time, we expect to be able to plan the resumption of our regular projects and develop new ones. At present, since there is no president, each member will be expected to be on the roster to assume meeting preparation and to preside on meeting day without fail.

Mike and John C. are presently working on the club presence on Facebook and other aspects of social media.

Heather Hebert rose to congratulate Adam and to say thank you for carrying the ball for for us, and for our club, for such a long time.

Meeting Adjourned.

Whatever Rotary may mean to us, to the world

it will be known by the results it achieves.

SERVE TO CHANGE LIVES

Polio: There is no cure. It results in paralysis and death. It affects children. It is preventable by immunization.

If all eradication efforts stopped today, within 10 years, polio could paralyze as many as 200,000 children **each year**.

What impact can one donation have?

It can save a life. A child can be protected from polio with as little as 60 cents. Our partners make your donation go even further. For every \$1 Rotary commits to polio eradication, the Bill & Melinda Gates Foundation has committed to match \$2:1
