In this month's Rotary magazine, RI President Jennifer Jones quoted Maya Angelou: "People will forget what you said. People will forget what you did. But people will never forget how you made them feel." And she asked, "how do we make people feel Rotary? The best way is to share our Rotary moments.... when the ordinary collides with intention to create something extraordinary."

Our meeting today, filled Murphy's lounge to capacity. We opened the meeting with an a cappella musical? rendition of O'Canada.

Today's guests were: Lillia McFarlane, Jesse and John Keith, Lisa Smith, and Romy Bacsa.

Today's joke was fashioned after a true? story. It was about a golfer and his wife..... and the moral of the story? Don't stand next to your husband if he is attempting an unmakeable shot. It will likely kill you.

The Door Prize: The door prize, provided by Larry Stevens, was won by Ruby. (second time)

Updates/Reports and Reminders:

Our District Governor, Richard Denton will be visiting on Monday October 31st. Plan to attend. It will be held in the larger room at the golf course.

November 28 meeting will be at SSFC

December 12 meeting will be at the Golf Club.

- The 2023 Rotary International Convention is being held in Melbourne Australia, May 27-31, 2023. Register before 15 December for a discount.

GIVING TUESDAY –
THE GLOBAL DAY OF
GENEROSITY
November 29th, 2022

GivingTuesday is a global movement for giving and volunteering, taking place each year after Black Friday and Cyber Monday. It's time when communities come together to give back.

**And for this year's KAHC
GivingTuesday our project is
"Families Give Back"**

We are inviting families and their friends to channel their generosity by volunteering together to pack food at our warehouse in Peterborough.

To accommodate those who work on GivingTuesday the 29th of November, we will host the event on a Saturday November 19th (tentative) and count the effort towards "Giving Tuesday".

We will honour each volunteer with a **Certificate of Appreciation** as a remembrance of your family's impact in the lives of hungry and starving children'

In order to make this happen we need a minimum of 10 families to sign up (average 4 people/family+friends, kids welcome). That means we need an estimate ahead of time of how many people would be able to participate.

Each person will pack for one 2-hour shift. Multiplied by the number in your family, that adds up to quite a significant impact! If we receive the minimum number of families interested, we will advise you that the pack is on! So, reserve the date now.

Please [click here](#) to let us know your family/friends are interested (out of towners welcome!) in this awesome event celebrating "The Global Day of Generosity". This is always great fun and so rewarding!

Thanks in advance!
