RI President Jennifer Jones imagines a Rotary where members act to make their dreams become reality and they make the most of their club experiences. She urges members to engage more with each other and use these connections to build partnerships that change the world.

This meeting of the Rotary Club of Lindsay was held at the Lindsay Golf and Country Club. Chairing the meeting was Anthony Polito.

Today's guests were: Sylvia Brumwell, John Keith, Jesse Keith, Wesley Lestholo, Laura Love, Kelly Isfan, and our guest speaker Cindy Sinclair.

To open the meeting, Anthony called for a moment of silence recognizing our late Monarch, Queen Elizabeth and her funeral ceremonies today.

We recited (read) the 4 Way Test

Garry Burns reaffirmed his oath of allegiance to His Majesty King Charles and proposed a toast to the King.

**The Door Prize:** The door prize was won by our guest Sylvia.

**Updates/Reports and Reminders:**

- **Shred Day** scheduled for October 15th from 10:00 a.m. to 2:00 p.m. at Waste Logix Highway 35 south. Mike Puffer has a sign up sheet for volunteers in three shifts. See him at the meeting or give him a call. This year is different in that the machinery for shredding is inside a building at Waste Logix which requires workplace safety measures to be in place. We will be loading all materials to be shredded into secure containers which will then be moved inside for shredding.

**Guest Speaker:**

Cindy Snider is the Coordinator of Recruitment and Retention for the Kawartha Lakes Health Care Initiative.

Cindy is not new to the area. Before assuming her present role, Cindy was, for 20 years, the Manager of the Bobcaygeon and Area Chamber of Commerce.

During her tenure, Cindy has been awarded both Recruiter Recognition and a Lifetime Achievement Award from the Canadian Association of Staff Physician Recruiters.

In addition to her recruitment role, Cindy is the Medical Education Coordinator for the City of Kawartha Lakes. Her passion in working with medical students and residents resulted in being awarded the ROMP Community Education Coordinator of the Year in 2015.

Cindy recognizes a background in marketing and administration and a Bachelor of Arts from U of T as being extremely helpful to her position.

Cindy’s presentation was to have been an audio visual presentation. She gave us an excellent impromptu address which was educational and resulted in good discussion and questions. The City of Kawartha

Lakes needs 15 to 18 doctors and Cindy and her organization are working hard to make a positive change to that statistic. They are presently raising funds for a new presentation booth that can be taken to job fairs and presentations. Wesley Lestholo forwarded the presentation to John Coxon who sent it out to the membership. I hope you had a look.

Anthony thanked Cindy for her presentation.
