Be a gift
to the world

Rotary is an organization of business and professional women and men, united worldwide to provide humanitarian service and help build goodwill and peace. More than 1.2 million Rotarians are members of 30,000+ Rotary clubs in 164 countries. Our motto is **Service Above Self**.

The City of North Bay has two Rotary Clubs, the Rotary Club of North Bay and the Rotary Club of North Bay Nipissing, with each club active in community, vocational, and international service. We welcome inquiries about Rotary programs or membership in a Rotary Club.

Rotaract is an international organization of service clubs for men and women aged 18-30 that fosters leadership and responsible citizenship. Rotaractors serve the physical and social needs of their communities, widen their friendships and professional contacts, and increase their understanding of international and community issues.

Rotaract is a program of Rotary International and takes its name from a combination of the words Rotary and action. Rotaract Clubs work under the guidance of their local Rotary Club, with support from sponsoring Rotarians.

A Day of Giving

On April 23, 2016, Rotarians and Rotaract members are helping you in your home with tasks that require assistance. This day is part of our community service, so is free to those we help.
