

*The Rotary Clubs of North Bay &
The Rotaract Club of North Bay*

A Day of Giving

Rotaract Club of North Bay-Nipissing is gearing up for its annual Day of Giving, taking place this year on **Saturday, April 29, 2017**. In the spirit of Earth Day, which falls on April 22, Rotaractors and teams of volunteers (including members of both local Rotary clubs) will participate in a city-wide cleanup, picking up trash from parks and outdoor areas throughout North Bay. Rotaract also is participating in the North Bay-Mattawa Conversation authority’s adopt-a-Creek program. Part of this year’s Day of giving activities will include the club officially adopting a portion of Chippewa Creek.

We need your help!

We’re looking to Rotarians and Rotaractors to help out with the clean-up. We ask that you bring some garbage bags and gloves with you.

*Saturday, April 29, 2017
10:00am to 1:00pm*

We will meet at a “Dispatch Centre,” yet to be determined.

Please fill out the form and return to your club representative or email to: mail@rotaractnbn.com

Your early commitment is greatly appreciated.

Thank you!
