

Dr. Isaac Bogoch is an Associate Professor at the University of Toronto in the Department of Medicine, and an Infectious Diseases specialist and General Internist at the Toronto General Hospital with a focus on tropical diseases, HIV, and general infectious diseases. Dr. Bogoch works at the intersection of clinical medicine, epidemiology, public health, and policy. He divides his clinical and research time between Toronto and several countries in Africa and Asia. Dr. Bogoch works closely with the Federal government and Ontario provincial government on the COVID-19 response, with a focus on vaccine rollout.
