

## North Bay & Area Drug Strategy

Patients Prescription Label affixed here

### Guidelines for Disposal of Fentanyl Patches

1. Store your Fentanyl patches in a safe and secure place in your home.
2. When ready to change your Fentanyl patch place your old Fentanyl patch in the original package that you just removed the new patch from.
3. Tape the patch that is in the package onto the sheet, sign in the marked square with date, time and patient signature.
4. When prescription requires to be refilled, return **all Fentanyl patches taped and signed on appropriate sheets to your** pharmacy.

Pharmacy Validation
