# Impact

Y Camps offer kids the opportunity to live healthy, active lives, and participate in new outdoor adventures. These experiences encourage children out of their comfort zone to learn lots of new skills, as well as provide them a sense of belonging and social connection.

***We believe these benefits must be accessible to families from all economic backgrounds.***

# What is Fill the Bus?

Campaign to raise funds to be sure **all local youth get the opportunity of an amazing camp experience.**

Those kids who can most benefit are often from households without the financial means to send their kids to camp.

- Registration fees might only be one barrier!
- Camp supplies like **running shoes, bathing suit**, etc. as well as **camp equipment** and **upgrades**
