For Immediate Release

Rotary Clubs Assist with ShelterBoxes for Nepal

Rotary International clubs and their members in our District stand together in expressing a profound sadness at the devastation resulting from this weekend's deadly earthquake in Nepal. As we mourn the lives lost, Rotary worldwide joins other international agencies in providing immediate relief to survivors and mobilizing our expertise to support long-term recovery and rebuilding efforts throughout the country.

Donations to Rotary can help support our partnership with ShelterBox to deliver emergency shelter and other lifesaving equipment to families that have lost everything following a disaster. Each box costs CAD \$1,200 however donations of any amount are appreciated.

For further information on how you can contribute to ShelterBox locally, please visit the Rotary Club of North Bay website - www.rotaryclubofnorthbay.org. Donations can also be made directly to Shelterbox Canada at - www.shelterboxcanada.org.

Rotary International is a global network of more than 1.2 million volunteer leaders dedicated to tackling the world's most pressing humanitarian challenges. Our Clubs carry out an array of initiatives, including disaster relief, water and sanitation projects, medical missions, disease eradication efforts, education and literacy programs, peace efforts, and local economic development campaigns.
