Rotary Foundation

While our Club encourages members to donate US\$100 per Rotary Year (vs the District Target of US\$200), more emphasis is placed on participating in "Every Rotarian Every Year" (i.e. donating whatever amount is feasible). For example, the Club holds a 'Brown Bag Lunch' meeting 1-2 times each year, with the \$10 lunch charge going towards the *End Polio Now* campaign.

Attendance

The emphasis is on "engagement" (i.e. "Rotary involvement in the community and abroad") vs "attendance" at weekly lunch meetings of the Club. Engagement includes: projects; activities; events (fundraising, social) and committee meetings (members are encouraged to sit on at least 2 committees). There is no minimum attendance requirement.

Weekly Meeting Agenda

In order to accommodate members with work and/or family-related constraints or commitments, the noon meeting agenda allows for individuals to depart right after the guest speaker and prior to the business portion of the meeting. Meetings normally end by 1 pm.

Club/District Optional Events (estimated costs)

Members are encouraged to support one or more optional functions, such as:

- Rotary Golf Day (July) \$65
- District Conference \$500
- Rotary4Kids \$25
