

Rotary Club of Orillia

Home Fire Safety Initiative

The purpose of this project is to provide and install, free of charge, combination Smoke and Carbon Monoxide Alarms in homes in Orillia. Yours may be outdated, non-functioning or absent for a variety of reasons. The units we will install are up to code, easy to use and maintain and 10yr long-life battery operated.

Please provide the requested information. Also be advised that, should you be chosen to receive this free service, you will be required to sign a waiver and make your home available for two visits, to occur in August or September. Firstly, for site inspection to determine placement/number of units required and a second visit for the install.

While everyone's safety is important to us, due to our set budget for units, only the candidates chosen will be contacted. Thank you for participating in this Rotary Club of Orillia initiative to keep our neighbours safe!

Complete the application on the reverse side of this form or go to Orillia Rotary Club website (www.clubrunner.ca/orillia) to download the application. Applications may be emailed to (rmcgillinspections@rogers.com) or mailed to Rotary Club of Orillia, P.O. Box 821., Orillia ON., L3V 6K8 or dropped off to Orillia Floor Fashion 107 Commerce Rd., Orillia ON., L3V 6H3 no later than August 28th 2015.
