

Canadian Flag Program

If you live in the Surrey/White Rock area, the Semiahmoo Rotary Club will help you celebrate the following holidays: **Victoria Day, Canada Day, and Remembrance Day.** Three times a year, to show your patriotism and pride in calling Canada your home, we will place a 27"x 54" flag on an 8-foot pole on your property. (The flag will be installed by a Rotarian approximately 5 days prior to each holiday and then removed 3 days after.)

The cost for the 3 deliveries during the year is \$50.00. Your subscription directly fuels our local and global service work.

Among other significant initiatives . . .

We Celebrate Youth By:

- Hosting the Surrey SASSY Awards, honoring local youth leadership with monetary awards and charitable donations.
- Empowering students: Conducting "mock" interview sessions, funding secondary school and college scholarships and supporting literacy programs for the next generation.

We Serve Our Community by:

- Helping to raise over \$800,000 for Sources Food Bank through the Rotary Save-On-Foods Gift Card Program.
- Contributing to community health initiatives like "Foundry South Surrey/White Rock" with a \$50,000 pledge.
- Beautifying public spaces through local clean-ups and fostering connection at neighborhood events.

We Support Vital Partners & Global Projects:

- We're proud, long-term supporters of Sources Community Resources Society.
- We're supporting improved education and economic development in rural communities of Copan Ruinas, Western Honduras.
- Through our Sewing Project in India and our involvement with the "Days for Girls" program, we're supporting health, dignity, and economic independence for women and girls.

Our vision is to make a positive difference in local and global communities by working together and fostering fellowship. We are a humanitarian organization with no religious or political affiliations.
