

Trudy's Watermelon Salad

This is a bit like potato salad..everyone has their own version and you can adjust things to your own taste. I usually use:

1 smallish to medium sized watermelon...not too ripe and cut into approx. 1 inch cubed pieces

(well chilled)

1 small tub feta..preferably sheep milk

1 large tin black olives

handful (about 1/4 to 1/2 cup) of chopped fresh mint or basil (I loved the basil and then I

tried the mint..now my current favourite)

dressing: roughly 1/3 cup lemon juice (maybe a bit less if freshly squeezed) and 2/3 cups

oil (I usually use light olive oil or mix stronger flavoured olive oil with a bit of a lighter vegetable oil)

pinch of salt and pepper..don't be afraid of the pepper
