

Friends,

We have an opportunity to have some fun with Rotarians.... and

Take a Hike!!

(click on the [blue links](#) for additional information)

The hike is actually a number of different hiking options ([click here for a PDF](#)) (some more difficult than others) all of which will occur in the Sedro Woolley / Mt Baker area. Please bring your friends and family to the hike and the BBQ following.

Seriously, the **Rotary Clubs** of **District 5050** are holding a hike near the base of Mt. Baker, **August 20th**. The hike is open to everyone, and is an opportunity to meet people and have FUN!

Are you a Ham? All Amateur Radio operators are also welcome. This is a great opportunity for you to connect with other "Hams".

The Radio Amateur Clubs of Skagit County and Surrey will provide communications.

What a great opportunity to enjoy the outdoors and have fun with friends and fellow Rotarians.

Please let Ajay know if you will be there, and so that his team can plan for the BBQ. You can contact him by [email](#) ([click here](#)) before July 30th.
