2023 PREDICTIONS

A LOOK AT THE GLOBAL AND TECHNOLOGICAL TRENDS TO COME

An evening with Mark Anderson

MARK ANDERSON

Predictions expert Mark Anderson is the CEO of Strategic News Service (SNS) and publisher of the weekly SNS Global Report on Technology and the Global Economy, read by Bill Gates, Elon Musk, Vint Cerf, Michael Dell, Craig Venter, Jeff Bezos, Bill Janeway, Paul Jacobs, Leroy Hood, and technology executives and investors worldwide. Mark is also the founding CEO of startup Pattern Computer Inc. and chair of The Future in Review (FiRe) Conference which The Economist has named "the best technology conference in the world."
