EDUCATION

Western Washington University, Bellingham — BA in Business and administration with a concentration in marketing

September 2019 - June 2023

Graduated in March of 2024, graduating with a concentration in marketing. With such an active marketing program I was able to expand my network and come to better understand the world of marketing.

Orcas Island High School, Eastsound Washington

2015–2019

EXPERIENCE

Aslan Brewing Co. Bellingham — Prep Cook

March 2021 - Present (part time during the school year)

- Help coordinate menu changes
- Prepare meals for lunch/dinner service
- Support inventory management

I started as a dishwasher and worked my way into the kitchen. I can now work every station both on the line and in the prep kitchen. I am the second longest kitchen worker at the brewery and am comfortable with managing labor/menu issues on the fly. I've learned to communicate with a team as either a leader or a follower.

Orcas Cascade Carpentry, Orcas Island — General Laborer

May 2018 - September 2020

- Completed cuts for framing
- General electric tool use (Eg. saws, nailers, painters)
- Hauled scraps and fresh lumber
- Learned the basics of housebuilding

I worked under a lead carpenter and diligently completed tasks as directed the tasks that were assigned. I was also familiarized with working on large crews and balancing having to be quick and focused to navigate a busy construction environment. stay out of the way.

The Madrona Bar and Grill, Orcas Island — *DishWasher*

July 2019 - August 2020 (Summers only)

- Washed dishes for lunch and dinner shifts
- Basic meal prep when needed
- Some bussing

I worked mostly nights during the summer and into the fall. Learning sanitization and cleaning procedures while also following directions.

Mt Baker Farm, Orcas Island — *Campground Maintenance*

June 2017 - September 2017

- Setup and broke down campsites
- General maintenance
- Unloaded camper's gear at their sites

I was fully self directed, which required a level of detail and time management, while also keeping time for the occasional request for assistance from the campground managers.

Orcas Adventures, Orcas Island — *Customer Service*

May 2017 - September 2017

- Operated the cash register and processed transactions
- Sold concessions and rented out boats
- Managed the concession stand

This was my first real work experience, I was exposed to a high paced environment which required constant effort and clear communication with my coworkers. I learned how to speak to customers and juggle multiple tasks in a short time.

PROJECTS

Senior Project — *Community service*

I completed a project that was geared towards serving the community. I spent 34 hours building a new wooden ball box for a local child care based nonprofit.
