## LET'S HELP CREATE THE FUTURE!

### My Contribution for the RCOB Major Project 2017

1917 - 2017 Centennial

In celebration of the Rotary Club of Bellingham's 100th anniversary, our goal is to procure additional funding for the Scholarship Endowment Fund, with a minimum goal of \$400,000. We want to significantly increase the number of scholarships given annually to graduates of Whatcom County high schools as a result of this year's major project.
