

Thank you for your generous consideration for this event; we would love to have you as one of the sponsors for Las Vegas Night, and want to ensure that you are receiving great value for your sponsorship. Below you will find information about our Club, the Event, and the two sponsorship levels available.

**About the Club:**

The Rotary Club of Bellingham is a service organization comprised of over 140 members dedicated to serving the community, both locally and internationally. We have a long history of service and projects, particularly in and around Whatcom County. Through our 501(c)3 non-profit Foundation, we provide scholarships, community grants and project funding; each year we have a goal to raise \$100,000 for a major project in the area. In the past decade, we have raised over \$2 million for these projects. This year our major project is Lydia Place, a nonprofit agency serving homeless families in Whatcom County. We are also currently working on an international water sanitation project in Buffujja, Africa and smaller local projects. The proceeds of this event will go to supporting our new Student Exchange Program and Community Service Fund Grants, which directly impact worthy projects in our community.
