

DAVID KORB

P.O. Box 1961, Bellingham, Wa. 98227 • (206) 788-7688 • sql.variant@gmail.com

SUMMARY

I enjoy collaborating with stakeholders to clarify objectives and solve problems, as well as, maintaining positive relationships with customers. Efficiency is my trade, whether it involves editing news for broadcast or creating solutions.

SKILLS

CUSTOMER SERVICE

Always maintain congenial relations with internal and external customers
Worked directly with home owners as an electrical service truck driver in Seattle
Wardroom mess steward on board the USS Florikan, serving meals and performing chores

MENTORING

Assisted analysts and management with database concepts, business logic, and report writing
Tutored students in object oriented programming, C/C++, Data Structures, and Systems Programming
On the job training of electrical apprentices at multiple construction sites

COMMUNICATIONS

Writing, copyediting, and reporting news on KMRE 88.3 FM Bellingham
Technical writing of manuals for end users and staff on the Wells Fargo wholesale team
Field communicator for NMCB-3 setting up field phones, central exchange, and backpack radios
Connecting service members to family via shortwave radio (Military Auxiliary Radio System)

SOFTWARE

MS Word, Excel, and Powerpoint
SQL Server, Access, and Teradata databases
LIMS/SCADA information management systems
Several role-your-own customer relationship management systems

PROBLEM SOLVING ACHIEVEMENTS

Interpreted Medicaid & Medicare (CMS) requirements for core measures and meaningful use
Created a dynamic code solution to pull data from multiple hospitals for NavisHealth
Developed a recursive algorithm to map relationships for a stalled Wells Fargo project

DOMAINS

Banking, Healthcare, Marketing, Real Estate, and Water/Wastewater utilities
