

What Is Rotary?

Rotary is a global network of community volunteers.

Rotary club members are business, professional, and community leaders in your locality who meet regularly to plan and implement community service activities and network with other professionals. For those interested, members can also choose to become involved in international humanitarian service efforts. More than 1.2 million men and women in over 200 countries and geographical areas belong to over 33,000 Rotary clubs.

Rotary builds international understanding through scholarships, exchange programs, and humanitarian grants. Throughout the world, Rotary clubs participate in a broad range of educational, intercultural, and humanitarian activities designed to improve the lives of others.

Benefits of Membership

Belonging to a Rotary club provides members with an opportunity to make a contribution to their own communities and to communities around the world.

Members may join Rotary for many reasons, including community involvement, personal development, professional networking, and camaraderie with fellow members. But perhaps the most important benefit is the satisfaction gained from making a real difference in the world.

COMMITMENT TO COMMUNITY

LOCAL

We support many local non-profit organizations such as the YMCA, Red Cross, Domestic Violence Services, Cocoon House, Victim Support Services, Special Olympics, and Boys & Girls Club to name a few.

Scholarships/Youth Programs

We are proud to recognize each month during the school year a "Student of the Month" from Everett Community College. We also sponsor youth and young adults to attend YAIL and RYLA each year.

INTERNATIONAL

We support Rotary through multiple international service efforts and volunteer engagement. Volunteers helped to install water tanks in Guatemala in 2016 and in 2014 trained youth in emergency response skills in Haiti.

FUNDRAISING

Our annual club fundraiser is a car raffle. The Classic Chevy Car Raffle has generated over a half million dollars that has been given back to local and international community service projects and programs. 1969 Chevy Camaro

MEMBER RESPONSIBILITIES

What a prospective Rotarian gets out of Rotary depends largely on what they put into it. Our requirements are designed to help members more fully participate in and enjoy their Rotary experience.

Attending weekly club meetings is so important and allows members to enjoy fellowship, enrich their professional and personal knowledge, and meet other business leaders in their community.

As a Rotarian you would be welcome at any of the 33,000 plus Rotary Clubs in the world.

There are many opportunities in this club for local and international service projects, club members can volunteer their time and talents where they're most needed or have a special talent for.

The **5 Avenues of Service** are Rotary's cornerstone:

Club Service focuses on strengthening fellowship and ensuring the club's effective functioning.

Vocational Service encourages Rotarians to serve others through their vocations and to practice high ethical standards.

Community Service covers the projects and activities the club undertakes to improve life in its community.
