PEOPLE OF ACTION

Our club offers opportunities for our members — and those interested in making a difference — to get involved. Through meetings, social events, and volunteer projects, our members learn about the issues facing our community and communities all over the world, partnering with local, national, and global experts to exchange ideas about potential solutions and to draw up action plans to respond. Along with these opportunities to serve, members also are able to regularly network, resulting in lifelong friendships and business connections.

Our club is a proud part of this community and of Rotary International. Rotary is a global network of more than 1.2 million members who believe that great things happen when dedicated minds come together. We are community and business leaders representing different professions, experiences, and perspectives but with a shared desire to connect with others to address the challenges affecting our community and communities around the world.

MAKING A DIFFERENCE

Solving real problems takes real effort, commitment, and vision. Rotarians work to protect communities from preventable disease, keep women and children healthy, improve education and economic outcomes, create safe water and sanitation infrastructure, and make our community and the world a more peaceful place.

LOCAL

We support many local non-profits such as the Assistance League of Everett, American Red Cross, Camp Fire, Casino Road Ministries, Domestic Violence Services, Everett Clubhouse, Everett Museum of History, Everett Parks, Greater Trinity Academy, Green Cross Academy of Traumatology, Peoria Home, Providence Hospice, Sharing Wheels Bike Shop, Snohomish County Music Project, Volunteers of America, and YMCA .

SCHOLARSHIPS/YOUTH PROGRAMS

We are proud to recognize each month during the school year a “Student of the Month” from Everett Community College. We also sponsor youth and young adults to attend YAIL and RYLA each year.

INTERNATIONAL

We support Rotary through multiple international service efforts and volunteer engagement. Our partners include Hands for Peacemaking, Healing the Children, Cura Orphanage, and Living Water International.

GET INVOLVED

Becoming a member enables you to meet your community’s leaders and to make an impact both here and around the world. We invite you to visit our club and find out more about us and the opportunities we offer to get involved.
