

# Wall Sheet Summary Comprehensive

Congratulations on completing your Vision Facilitation Session! This spreadsheet was designed to help you summarize all of the wall sheets that were created at your Vision Facilitation Session. Once you have compiled the results below, copy the entire worksheet and paste in the worksheet marked Info to share. Under that tab, delete all lines that will not be included in your final club plan. This way, you have all of the suggestions for posterity, but will only share the "high dot" action lines with your club.

Once you have completed both tabs on the worksheet, please email to Jane Helten,(janehelten@gmail.com) Facilitator Co-ordinator. We wish you the best of luck in implementing your Vision!
