Rotary is an international charitable organization comprised of professional and business leaders whose goals are humanitarian service, high ethical standards and promotion of goodwill and peace around the world. The **Rotary Club of Lake Stevens**, since its inception in July of 1991, has been a proud member of Rotary International, the largest and oldest service organization in the world dedicated to friendship, fellowship, and service to others.

Our motto, "SERVICE ABOVE SELF" serves as our guide in everything we do. The main objective of Rotary is SERVICE—in the community, in the workplace and throughout the world. Lake Stevens Rotarians foster the ideal of "Service Above Self" through the betterment of business and professional ethics, promoting international understanding and goodwill, and providing humanitarian service in Lake Stevens and world-wide.

Our Rotary Club serves the community in many ways: park maintenance and cleanup projects, supporting the construction of a skateboard park, hosting of community suppers, back-to-school assistance, these scholarships, and international service projects. Rotarians live and work by a guideline known as the "Four-Way Test". It is based upon four questions that can be applied to every situation.

The Four-Way Test of the things we think, say or do:

- 1. Is it the TRUTH?**
- 2. Is it FAIR to all concerned?**
- 3. Will it build GOODWILL and BETTER FRIENDSHIPS?**
- 4. Will it be BENEFICIAL to all concerned?**

As Rotarians, we believe the world would truly be a better place if everyone applied the Four-Way Test to their daily lives. Please choose to apply these same values as you pursue your future goals.
