Student Leadership Award Program for Students High On Training

## SLAPSHOT is going virtual!

High school students and recent graduates, 15-19 years old are invited to join us for a virtual leadership camp experience! For six days in May, participants will experience fun-filled online sessions of personal growth and leadership development activities. While this year might look a little different, and we won't be able to sit around a real campfire we have six amazing sessions lined up for young leaders!

Wondering what to expect? Check out the schedule

## Participant Testimonials

"SLAPSHOT was a fantastic experience for me as a leader. I was very fortunate to spend the weekend with 100 teens, just like me, from Canada & the U.S."

**Virtually connect for a week with young leaders from across Canada and the U.S.**

"The program involved outstanding speakers and exceptional leaders who motivated my creativity. One of the most memorable presentations was made by a young, enthusiastic, and very well-educated speaker, Joel Hilchey."

## About SLAPSHOT

SLAPSHOT is unique to Rotary District 7090 and promotes, celebrates & fosters youth leadership. The program, founded on Rotary ideals, is a strong link on Rotary's youth leadership development continuum – Youth Exchange, EarlyAct, Interact and Rotaract. SLAPSHOT is a District 7090 youth leadership award program that traditionally sees 100 participants camping and participating in a weekend of leadership training. For 2022 SLAPSHOT will take place over Zoom where participants are welcome to participate in a variety of different sessions that meet their interests and schedules. Evening virtual "campfires" provide opportunities for learning about interpersonal skills, problem-solving, wellness and communication skills.

Our theme for 2022 is LEADER which shapes the program around the ideas of enhancing leadership skills through learning, evolving, adapting, discovering, energizing and Rotary.

Each year, students leave SLAPSHOT feeling more confident in themselves and prepared to strengthen their involvement with Interact Clubs and other initiatives that will make a difference in their schools and local communities and beyond. This year's virtual SLAPSHOT offers the perfect opportunity for 40 high school students, selected by Rotary Clubs throughout District 7090, to come together for a wonderful experience in fun, fellowship and learning.
