The Rotary International theme for 2026-27 is **Create Lasting Impact**. It encourages all Club Members, as people of action, to work together to make a meaningful difference in our communities and around the world. It builds on the ways in which members have strengthened their connections to each other and to their communities to Unite for Good, the 2025-26 message. Now, Create Lasting Impact will harness those connections and inspire our members, participants, and the public to take collective actions that lead to a sustainable difference — globally, locally, and personally.

At Brantford Sunrise Rotary we continue to demonstrate the impact our club makes through service projects and other work in the community. Our fundraising initiatives regularly raise more than \$100,000 each year resulting in lasting impact for vital charities and programs in our community.

But it's more than raising money.

Think about just a few of the things that we've accomplished together.

- It's local youth receiving a meal to keep them nourished.
- It's a family feeling hope that their child will flourish because of the pediatric unit in our local hospital.
- It's cleaner parks and seniors not being forgotten when they see poinsettias in their lobby or hallway.

This year we will continue to make an impact in our community not just because we want to but because we're needed. I would ask every member to stay curious, stay involved and be proud of what we as team have accomplished. There is a lot to be proud of.

I want to wish each of you a truly wonderful year ahead — one filled with purpose, connection, and the satisfaction of service done well. My hope for you is simple but sincere: whatever you invest into Rotary — whether it's your time, your energy, your ideas, or your heart — may you receive that back tenfold in friendship, fulfillment, and the knowledge that you made a difference in Brantford.

Jerry Lawlor

President (2026/2027)

Rotary Club of Brantford Sunrise

Rotary International

Rotary is a global network of more than 1.2 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

Solving real problems takes real commitment and vision. For more than 110 years, Rotary's people of action have used their passion, energy, and intelligence to take action on sustainable projects. From literacy and peace to water and health, we are always working to better our world, and we stay committed to the end.

What we do

Rotary members believe that we have a shared responsibility to take action on our world's most persistent issues. Our more than 45,000 clubs work together to:

- Promote peace
- Fight disease
- Provide clean water, sanitation, and hygiene
- Improve maternal and child health
- Support education
- Grow local economies
- Protect the environment

Rotary International mission

We provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.

Rotary International Vision statement

Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.

Guiding Principles - Object of Rotary

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and to encourage and foster:

FIRST: the development of acquaintance as an opportunity for service.

SECOND: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarians occupation to serve society.

THIRD: the application of the ideal of service in each Rotarians personal, business and community life.

FOURTH: The advancement of international understanding, goodwill and peace through a world fellowship of business and professional persons united in the ideal of service.

The Four-Way Test

The four-way test is a non-partisan and non-sectarian ethical guide for Rotarians to use for their personal and professional relationships. The test has been translated into more than 100 languages, and Rotarians recite it at club meetings:

Of the things we say or do:

- 1. Is it the TRUTH?**
- 2. Is it FAIR to all concerned?**
- 3. Will it build GOODWILL and BETTER FRIENDSHIPS?**
- 4. Will it be BENEFICIAL to all concerned?**

Avenues of Service

We channel our commitment to service at home and abroad through Five Avenues of Service, which are the foundation of club activity.

1. Club Service focuses on making clubs strong. A thriving club is anchored by strong relationships and an active membership development plan.
2. Vocational Service calls on every Rotarian to work with integrity and contribute their expertise to the problems and needs of society.
3. Community Service encourages every Rotarian to find ways to improve the quality of life for people in their communities and to serve the public interest.
4. International Service exemplifies our global reach in promoting peace and understanding. We support this service avenue by sponsoring or volunteering on international projects, seeking partners abroad and more.
5. Youth Service recognizes the importance of empowering youth and young professionals through leadership development programs such as Rotaract, Interact, Rotary Youth Leadership Awards, and Rotary Youth Exchange.
