ROTARY AND ROTARY CLUB OF HAMILTON AM INFORMATION FOR PROPOSED MEMBERS

The Rotary Club of Hamilton AM is an organization of **business, professional, and community leaders** who come together through commitment and fellowship to create opportunities and a better future for generations that follow.

The club meets each Wednesday morning, formally starting at 7:30 am (informally beginning at 7:00 am) at [Williams Fresh Café, 47 Discovery Drive, Hamilton, Ontario](#) and has or may include for remote attendance and virtual meeting participation. Sometimes meetings are cancelled or suspended, for instance at the year ending holiday period or where a meeting is incorporated as an event at another time of day or day of the week.

Participating with the [Rotary Club of Hamilton AM](#), which is part of the larger [District 7090](#) and [Rotary International](#) structured systems, programs and activities offers Rotarian's the opportunity to **give their service above self to the community**. The Club provides a medium to learn about community needs in a variety of areas and participate in fundraising and volunteering to impact the community truly and positively.

<input type="checkbox"/>	I understand Rotary is a service club and members are expected to contribute volunteer hours of service each year.
<input type="checkbox"/>	I understand weekly membership meetings and the club policy intends members routinely participate in those meetings, and that committee, event, activity and attendance at other Rotary functions or meetings is or can be considered as attending a club meeting.
<input type="checkbox"/>	I understand in addition to annual membership dues, Rotarians are encouraged to participate financially in club activities through charitable contributions, donations to events and event participation.
<input type="checkbox"/>	I understand Rotarians may choose to become "sustaining members" of the Paul Harris Foundation through contributions of \$100.00 USD to the Rotary International Foundation . These contributions are applied to earning a Paul Harris Fellowship , which is granted for each aggregate \$1,000 USD contributed to Rotary International Foundation .
