In 2019, The Rotary Club of Hamilton AM was pleased to have been able to provide Theatre Aquarius with a \$10,000 grant to put on two performances for up to 1,000 kids. The performance was Hairspray which by all accounts was amazing.

As you can see by the children's enthusiasm in the video link below, the kids were very excited and had a wonderful time. Seen here is Greg Taylor from Theatre Aquarius and a room full of very happy and grateful children.
