WELCOME TO THE 25<sup>TH</sup> ANNUAL

## ROTARY HOLIDAY HOUSE TOUR

Once again, we welcome all of you to Rotary's 25<sup>th</sup> Annual Holiday House Tour. We are constantly delighted by how many people tell us that they have come every year with their family and friends to tour the beautiful homes decorated for the holiday season. If this is your first time, we hope you will keep coming back – every year has new surprises!

Each of us plays an important role in the success of the Holiday House Tour. Our heartfelt thanks go out to all of you:

- Our wonderful NOTL'ers who open their homes in welcome.
- The talented decorators who make those homes so beautifully festive.
- Our generous sponsors and supporters who provide complimentary goods and services as well as significant financial contributions.
- Our Holiday House Tour Committee who work diligently year-round to ensure the success of this event.
- Our hundreds of volunteers who work tirelessly to make sure that the Holiday House Tour operates efficiently and safely, come what may.
- And finally, thanks to you, our outstanding patrons, who travel from near and far, in any weather, to join our Holiday House Tour event.

This year, we hope to raise more than \$200,000. 45% of the proceeds will go to Local Community Projects, 45% to International Projects, and 10% to Youth Programs. Rotary exists to serve the people who live in communities, near and far, who need a helping hand. Your generosity makes a positive and meaningful impact, both in the Niagara Region and in communities around the world.

Enjoy the tour and our delightful town. We wish you all the best of the holiday season and know that by being here, you are making a difference.\*

## HOUSE

### **The Cedar House** 1820 GRANTHAM TOWNLINE RD, NOTL

PRESENTED BY: GATTA HOMES, THE FINE ESTATES TEAM, PENINSULA FLOORING

This is a home that celebrates art, originality, and family. Their stunning property reaches back into nature, with tall evergreens and a lush green meadow that is home to a perfectly adorable bunkie, and a pool that rivals Versailles with its elegant symmetry. The pleasing nature of design is echoed throughout this eclectic home, seen in the astonishingly original decor and furniture pieces that have been reclaimed, repurposed, and reused. Many are family heirlooms, such as the bow-front vintage curio cabinet, or the beautifully preserved pine fireplace, or the 200-year-old Harvest table planks, artfully repurposed and reused throughout the home. But it is their collection of art, celebrating international, Canadian, and local artists, as well as their own family photo galleries, that lend such personality to this home.

*Gauld Nurseries and Joanne Young, Garden Coach, have teamed up with decorator, Elaine Bartolini, to bring this country home to life. The living and dining rooms are adorned with an abundance of pinecones, scented greens, cherished heirloom crystal and china. The great room is filled with handmade ornaments, twinkling curly willow and cascading greenery.*

## HOUSE

### **BlueGate** 210 CENTRE ST, NOTL

PRESENTED BY: ST. DAVID'S VETERINARY CLINIC, TRAVIS CAIRNS DESJARDINS, NIAGARA-ON-THE-LAKE REALTY

BlueGate is an 'upside-down' house with the living space on the ground floor and the sleeping quarters below. It was their Mennonite builder's design that allowed the owners to create 'a house of windows' with soaring dormered ceilings, 9-foot doorways and an 18-foot, hand-cut stone fireplace. The unique layout of the kitchen comes from the chef – in the family's wish to cook without getting in anyone's way. 'Joe's room' is the result – a perfectly curated cooking space with everything he needs right at his fingertips. In 2017, BlueGate was awarded 'Best Compatible Design' for the new home that best fits into its historic surroundings.

*Joe Carlino has worked with some of the world's most cutting-edge luxury retail icons – Neiman Marcus, Saks, and Holt Renfrew, to name a few. From the outdoor style of LA to the Mies van der Rohe influence of his Chicago home, these brands have helped to form the unique style Joe is known for today – the culmination of a life well lived.*

## HOUSE

**Lakeview** 346 QUEEN ST, NOTL

PRESENTED BY: 124 ON QUEEN HOTEL AND SPA

❄️ This home has a quiet and splendid presence amid the surrounding streetscape overlooking Lake Ontario. The landscaping work is key because the owners feel the exterior conveys just as much as the interior. Once inside, a display of traditional and modern characterizes this 30-year-old home, with its superb cascading staircase, vaulted ceilings, and open entertaining-style kitchen. And then it wraps around you with a canopied courtyard, creating a perfect oasis. Termed a 'Florida' design, the oasis features a pool, a three-season cabana, and a woodburning fireplace, surrounded by 30-year-old trees. But perhaps the anchor to this home is a portrait of the owner's great grandmother, painted by well-known Canadian artist, George Reid, who gave it to her in exchange for lodgings in 1880. It truly reflects the love in this home.

*Sprague Interiors Inc. is spreading holiday cheer with oodles of fresh greenery mixed with rich blues and warm winter whites, all aglow with delicate, twinkling lights. Partnered with Willow Cakes, this already stunning home will be transformed into a festive dreamland full of warmth and style!*

## HOUSE

**Somerset** 111 FRONT ST, NOTL

PRESENTED BY: SHAW FESTIVAL THEATRE

❄️ Somerset is situated on the original site of the Queen's Royal Hotel, built in 1868, and known as one of the most fabulous hotels in North America. The hotel attracted wealthy tourists from Canada, United States and abroad, and was the site of many social gatherings, international sporting events, and luxurious recreation. The Queen's Royal Hotel was demolished in 1930 when tourism in the area declined. In 1988, the site was purchased by the previous owners of the Prince of Wales Hotel, to host their most premier guests, and after selling the hotel in 2000, the house remained in the family. Recently renovated, Somerset has three deluxe guest suites, each with private terraces that enjoy spectacular views of Lake Ontario, the United States and Toronto. Continuing the tradition of exquisite accommodation, Somerset has become the beautiful residence you see today.

*Regal Florist & Garden Centre has participated in the Holiday House Tour for 25 years! We create unique designs that reflect the style of the homeowners while preserving the integrity of their home. Our original plans often take a surprise direction as we experience the unique personality of the home.*

**The Royal Manor Inn** 242 RICARDO ST, NOTL

PRESENTED BY: BOSLEY REAL ESTATE

❄ From the moment you walk into this beautifully restored 200-year-old heritage home, once a thriving tavern, you will have a guest experience like no other. You are immediately surrounded by the vitality and originality of art, design, balance, and harmony. Preserved hardwood floors and millwork, indoor and outdoor fireplaces, plus five unique bedrooms, all guarantee that old-world charm meets new-world modernity. Find original etchings by the master of Surrealism, Salvador Dali; airbrush art by the Peruvian-American artist, Alberto Vargas, or the bright landscapes of post-war Dutch contemporary artist, Ton Schulten. Custom-made furniture from Turkey, perfectly coordinated with matching dynamic artwork by Reinard Schimmel, complements the decor. This fusion of traditional and modern is the theme, with its wraparound verandah, all-season patio, and Koi pond – here, history truly meets luxury.

***Garden Club of Niagara:** The colourful eclectic decor of this period home will be complemented by displays of modern and contemporary designs using fresh florals in a festive manner.*

## HOUSE

**Riverview** 293 RICARDO ST, NOTL

PRESENTED BY: VMD PROFESSIONAL CORPORATION

❄ There are homes that gently lead you into their splendour. This is one of those. From its cultured landscaped driveway, the doors open and you are in a home that will hold you in its serenity and romance, blending classic design and modern amenities. A stunning marble foyer complements the magnificent Great Room, with its cathedral ceiling, limestone fireplace, cosy sitting room and den, and walk-in wine cellar. The dining room seats 14 guests, beneath the grandeur of double chandeliers, and the kitchen offers its own hub for socializing with a U-shaped island, seating six. Beyond the spiral staircase and glass elevator, all this elegance leads to an outdoor stone patio, with a fireplace, TV, and L-shaped infinity pool, tiered down to Lake Ontario and a private boat dock. From here, sunrise and sunset views are glorious and spectacular. And so is this home.

*Renowned for her legendary Christmas decorations, **Brenda McArthur** and her team are expected to outdo themselves again this year. Elegant silver decorations with pale blue accents will set the mood, as trees and garlands studded with sparkling ornaments are sure to steal the holiday show.*

**7. ANNUAL SITE NOTL: DECORATED BY DEDICATED VOLUNTEERS**  
**St. Vincent de Paul Parish** PICTON ST. AT WELLINGTON ST.

The Parish was established in 1827. In 1834, the Roman Catholic community built a clapboard church on land granted by the Crown. The present day church is on the original site. All future renovations remained consistent with the original Gothic Revival style. The large addition, constructed in 1964, preserved most of the older section of the church with the choir loft serving as a bridge between the old and new. St. Vincent de Paul is one of the oldest Catholic churches in the Province of Ontario.

ANNUAL SITE NOTL: DECORATED BY THE GARDEN CLUB OF NIAGARA

**McFarland House** 15927 NIAGARA PARKWAY

**The Garden Club of Niagara will decorate both the inside and outside of McFarland House in the theme, 'Holiday Stories'. The club uses authentic natural materials for designs and decorations suitable to the period of the home.**

This historic Georgian manor home was built by John McFarland and his sons. Descendants of the McFarlands lived in the house for over 140 years before it was restored by The Niagara Parks Commission and opened to the public in 1959. During the War of 1812, both British and American forces used the home as a hospital, and in 1813, the British attack on Fort Niagara was launched from the ravine on the property. McFarland House is one of the only structures to survive the burning of the town when occupying American forces retreated from the area, making it one of the oldest properties in Niagara-on-the-Lake. Today, McFarland House portrays early nineteenth century life in Upper Canada. **There will be sticky toffee pudding, scones, homemade hot chocolate, mulled cider, and tea.** [www.mcfarlandhouse.com](http://www.mcfarlandhouse.com)

**12** ANNUAL SITE QUEENSTON: DECORATED BY GARDEN CLUB OF NIAGARA  
**Willowbank Estate** 14487 NIAGARA RIVER PKWY, QUEENSTON

Built in 1834 as a private residence for Alexander Hamilton, his wife and their 11 children, Willowbank is now a national historic site of Canada and home to the School of Restoration Arts. In 2001, its future was jeopardized when its owner threatened to demolish the home if his request to build a subdivision on the property was not approved. Thanks to the intervention of a group of concerned neighbours, Willowbank was saved. Since 2006, the revered School of Restoration Arts has trained the heritage conservators of tomorrow at the Estate, whereby students learn heritage conservation methods through theory and applied learning. Local folklore has it that Alexander's wife, Hannah, can sometimes be glimpsed peering out a second-floor window as she continues to watch over her beloved home.

To commemorate this event, the McArthur Estate will be open for extended afternoon hours, allowing more people to delight in its stunning holiday splendour.

Over a million dollars has been raised since the tour's inception, allowing our Rotary Club to support numerous charitable projects locally and around the world.

Let's raise a toast to the past 25 years – and to the future of many more to come!\*

## ROTARY CLUB OF NIAGARA-ON-THE-LAKE

Rotary is where neighbours, friends, and problem-solvers share ideas, join leaders, and take action to create lasting change. Through Rotary clubs, people from all continents and cultures form friendships and professional connections while making a difference in their backyards and around the world.

Club activities, social events, and volunteer projects in picturesque Niagara-on-the-Lake offer networking opportunities that build personal and professional connections – and Rotarians can extend those networks by visiting other clubs around the globe.

### FUNDED PROJECTS 2023

The mandate of the Local Service Committee is to use our members' talents and skills to identify, plan, and carry out projects within our community.

Our club has been involved in numerous international projects, such as eradicating polio; providing shelter, clean water and food; improving medical facilities; and many more projects around the world. Through our partnerships, we have made a positive impact on thousands of lives.\*

*If you are interested in service to others and would like more information about our club, please visit our website or email us at [info@niagaraonthelakerotary.ca](mailto:info@niagaraonthelakerotary.ca). A photograph of two women standing on a white balcony, clinking wine glasses. The woman on the left is wearing a light blue button-down shirt and jeans, with a black headband. The woman on the right is wearing a maroon sweater and jeans. They are both smiling. The balcony has white balustrades. In the background, there is a green lawn and trees. The scene is viewed through a large window with a dark frame.
