## MONTHLY NEWSLETTER

February 2021

### Heroes do Wear Masks!

It's easy to donate blood and in turn save lives! Twelve Club members and friends participated in the latest Rotary Club of St. Catharines Lakeshore's quarterly Group Blood Donation Event at The Canadian Blood Services Clinic in St. Catharines. With the on-going pandemic, St. Catharines Lakeshore members continue to look for innovative ways to help out both locally and abroad. Several members of the group were giving for the first time and positive comments from all were heard regarding the screening procedures and overall processes. They were able to remain socially distanced and were all "smiling" behind those protective masks.

We also continue to spread the word on this worthwhile public service project with posts on Facebook ([www.facebook.com/RotaryStCatharinesLakeshore](http://www.facebook.com/RotaryStCatharinesLakeshore)) and Instagram ([www.instagram.com/rotarylakeshorestcatharines](http://www.instagram.com/rotarylakeshorestcatharines)) increasing awareness of Rotary and the importance of donating blood. The St. Catharines Blood Donor Clinic has reposted it to their Instagram account as well.

The Club continues to book these events in St. Catharines and would welcome anyone who would like to join them. The next date will be Tuesday, March 16th starting at 4:45 pm again (*just one day before St. Paddy's Day on March 17th for our Irish readers*). Please reach out to organizer Beth Fleeton at [bethfleeton@hotmail.com](mailto:bethfleeton@hotmail.com) if interested. AND, please feel free to invite a friend/family member!

Wishing all a happy and healthy 2021!

## First On-Line Trivia Night Raises Almost \$1900!

Despite having our normal in-person Fall November 2020 event cancelled due to the on-going pandemic, the Fall Trivia Night Committee held our first new “Virtual Trivia Night” on Saturday January 9. Still a fun night of 100 questions designed by our own in-house team of quizmasters, the full complement of 20 teams (comprising roughly 160 players) signed up - with a waiting list! The event had a maximum of 100 email address locations available on Zoom, with 98 being used, showing the diversity of locations for the players.

Cash prizes were not awarded for this on-line event. Instead all players had an equal chance at a variety of door prizes determined by spinning a prize wheel with each player’s name on it. Thanks to our prize donors: **Brewers Paradise** (beer and wine certificates); **Wolf the Realtor** (tour and tasting from Lock Street Brewery); **Timms House and Building Inspections** (\$50 Lock Street gift certificate); **Bob and Janet Allan** (Niagara Golf Warehouse certificate); **Bryan Pett** (Diner House 29 certificate) and **Ellen Wodchis** (Niagara Golf Warehouse certificate).

The Committee was Gary and Beth as co-chairs along with Coral, Bruce and Sandi. This savvy group (along with invaluable assistance from Matt) developed the questions. Ellen was in charge of sponsors. Al, Rose, Gary S. and Joy did a practice night of the final questions as the control group. Gary did a great job of hosting the Zoom meeting while fending off some initial technical issues. Bruce’s pearl-shaped tones served him well as MC while Beth and Coral checked the computer scoring of the answers. **THANKS TO ALL FOR AN OUTSTANDING JOB!**

AND THE WINNER OF THE DIGITAL TROPHY WAS “**Trivia This!!**”, a team playing from 7 different locations. While most of our players were from our regular trivia lists, the event also attracted players from Vancouver, North Bay, Tillsonburg, and Grand Bend — a tribute to the far-reaching impact of the on-line version. As a sampling of comments illustrate, everyone had a great time: “What a super job you all did! A very enjoyable evening”, “We had fun, great questions”, “Depending on how long it will take to get back to ‘normal’, we hope you will do it again”.

# Rotary Fellowships - Is There One for Your Special Interest

Rotary offers a wide variety of Fellowships for Rotarians who share a common interest in recreational activities, sports, hobbies, or professions. Looking to expand your skills? Foster vocational development? Or just have a special interest in a particular hobby or activity? There's probably a Rotary Fellowship for you! And you can explore your interest while participating with other Rotarians around the world. For example, several of our own Club members belong to BREW (Beer Rotarians Enjoy Worldwide) – one of the newest and largest fellowships in Rotary with members in 26 nations.

Here's a quick overview of how Rotary Fellowships work:

- They function independently of Rotary International by establishing their own rules, dues requirements, and administrative structure.
- Are open to Rotarians, their family members, as well as participants and alumni of all Rotary and Foundation programs.

The following is just a sampling of some of the 92 Fellowships available today on the International Website at [www.rotary.org/fellowships](http://www.rotary.org/fellowships). There are individual links there where you can find out more about these groups and all the others shown on that page:

## The "Rotary Bridge" Fundraising Story Fifteenth Anniversary of Greater Niagara Circle Route Bridge

In our June 2020 issue of Rotary Lakeshore in Action, we celebrated the Fifteenth anniversary of the Rotary Greater Circle Route Bridge, spanning the gap along the Welland Canal between Thorold and Welland, north of HWY 20. At our January 13 2021 meeting, Rotarian John Crossingham of the Downtown Club, and avid cyclist, presented the Rotary story behind the fundraising effort.

On May 27 2006, the Rotary Clubs of Niagara pitched in \$43,000 in seed money to get the project started as part of the 140 km Circle Route Project under the leadership of Regional Councilor Bruce Timms. Through the efforts of the joint Rotarian Bridge Committee, these monies were augmented by the Regional, Provincial and Federal governments and the bridge became reality.
