About Rotary

Welcome to the Rotary Club of Welland! Rotary is a worldwide organization of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. Approximately 1.2 million Rotarians belong to more than 45,000 Rotary clubs located in 220 countries. Rotary club membership represents a cross-section of the community's business and professional men and women. The world's Rotary clubs often meet weekly, bi-weekly or electronically and are nonpolitical, nonreligious, and open to all cultures, races, and creeds.

The main objective of Rotary is service — in the community, in the workplace, and throughout the world. Rotarians develop community service projects that address many of today's most critical issues, such as children at risk, poverty and hunger, the environment, illiteracy, and violence. They also support programs for youth, educational opportunities and international exchanges for students, teachers, and other professionals, and vocational and career development. **The Rotary motto is 'Service Above Self'.**
