**COME JOIN US FOR LUNCH!**

our WNY Community. We also provide scholarships and awards to middle and high school students in Kenmore and Tonawanda and we sponsor youth Interact Clubs at both Kenmore East and Kenmore West. We are also the proud sponsor of the Satellite Rotary Club of the Tonawandas.

Our members generously give, but in return receive camaraderie, business and social networking as well as leadership and personal growth opportunities. At our weekly regular meetings, we invite speakers to address our members, providing us perspective on a broad range of important topics. When you travel, you will be welcomed in communities everywhere by other Rotarians. This is a fun club that makes a difference in the world. Have you been thinking about getting more out of life lately?

We hope that you will join us for lunch and get to know us. One of our members will introduce you at the meeting and we all look forward to making you feel welcome.

Very Truly Yours,  
*The Kenmore Rotary Club*  
*Board of Directors*

## ABOUT THE KENMORE ROTARY

The Kenmore Rotary is a progressive and open club, made up of business, professional, and civic-minded men and women who want to have a positive influence, meet new people, network with others, and at the same time, have fun! Our guiding principle is "Service Above Self."

The Rotary Club of Kenmore invites you to consider joining Rotary. We invite you, your spouse or significant other, your boss, your family and friends to attend our weekly club luncheons which are held Mondays from 12:15 to 1:30 pm. Our Mission is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.

Service to our community and to the world is an honor, one in which we take great pride. Rotary International (RI) is a 110+ year old global organization with over 1.4 million members in 34,000 local clubs around the world. Our motto is Service Above Self as we seek to improve our communities and the world we live in. Rotary is one of the partners that are helping to eradicate polio from the face of the Earth.

Formed in 1924, The Rotary Club of Kenmore is one of the older and larger clubs within the Rotary District 7090. We are a tax-exempt corporation which conducts annual fundraising and giving with a well-endowed foundation that makes sizable donations of its income. Locally, our club, together with our Kenmore Rotary Foundation, has generously supported organizations such as Kenmore Mercy Hospital, Town of Tonawanda Paramedics, Kenmore-Town of Tonawanda UFSD, Ken-Ton Meals on Wheels, Scouting, The Salvation Army and many other organizations that serve, not only Kenmore, but
