Kenmore Rotary Charities and Kenmore Rotary Foundation Evaluation Form

Service to our community and to the world is an honor, one in which we take great pride. Rotary International (RI) is a 117 year old global organization with over 1.4 million members in thirty-four thousand local clubs in 200 countries around the world. Our motto is *Service Above Self* as we seek to improve our communities and the world we live in. Rotary is one of the partners that are helping to eradicate polio from the face of the Earth.

Formed in 1924, The Rotary Club of Kenmore is one of the older and larger clubs within our Rotary District 7090. Locally, our club, together with our Kenmore Rotary Foundation, has generously supported organizations throughout the community. We also provide scholarships and awards to middle and high school students in Kenmore and Tonawanda and we sponsor a club at Kenmore West that also performs community service, called the Challenge / Interact Club.

Charities usually focuses on program-oriented requests bi-annually [May and November]. **Foundation** usually focuses on capital/brick and mortar-orientated requests, with applications due October 30th and awards made in December. If you are interested in submitting a project/program for funding consideration, simply complete the request form below and mail it back to us. We will then evaluate your request and respond as soon as possible.

Contact Information

Date that this form is submitted: _____
