

WHAT IS KENMORE ROTARY?

Rotarians are men and women working in or retired from professional or proprietary positions, or community leaders committed to service. Our guiding principle is "Service Above Self." This altruistic purpose notwithstanding, we also have fun. At our weekly lunch meetings we share good-natured humor and have interesting speakers.

Kenmore Rotary is 50 members strong and looking to grow! We have a tax-exempt corporation which conducts annual fundraising and giving with a well-endowed foundation that makes sizable donations of its income. Combined, the affiliated corporations of the Kenmore Rotary Club strive to make annual charitable donations in excess of \$50,000.

We've made substantial gifts to charities and organizations, including Kenmore Mercy Hospital, Ronald McDonald House, Albright-Knox Art Gallery, Niagara Challengers Sledge Hockey Team, Buffalo Zoo, Buffalo Museum of Science, and Crossroads Springs Orphanage in Hamisi, Kenya. We sponsor a KWHS club doing community service, and annually we recognize outstanding student citizens with scholarships and awards.

We also make "hands-on" contributions to the community. As a group, we provide a carnival day that we call "Sunshine Day" for the children at the Cradle Beach Camp. During the holidays we raise funds and shop for toys and food for needy families as part of "Operation Santa Claus."

We are proud members of and contributors to Rotary International (R.I.), an elite humanitarian organization. R.I. boasts 1.2 million members and 33,000 clubs in 160 countries. Among its numerous accomplishments is the near complete worldwide eradication of polio through immunization.

If you would like to join us at a lunch meeting, please let us know. You will be made to feel welcome and you will enjoy yourself. We promise!
An application is attached if you would like to apply for membership.

Very Truly Yours,
The Kenmore Rotary Club
Board of Directors
