For the past twelve years, the Rotary Club of Lockport has hosted a golf tournament to honor the memory of a great man and a great Rotarian, Paul Perna. This year, we have elevated the “FUN raising”.

Each year, the generous support of our sponsors and individual golfers has helped to make this tournament a success and allowed Rotary to continue its’ tradition of awarding scholarships to talented and deserving students in our area.

Once again, our event will be held at the Lockport Town & Country Club. We will provide “entertainment” and 4 delicious food stations including Blue Light, wine and water stations on the course! This will be the perfect setting for an afternoon/evening filled with good friends, great food and fabulous “golf”!

We hope you will consider sponsoring a hole, but we really want to see you on the course! Thank you for the support!
