Realizing that college expenses are met through a number of resources including savings, earnings, loans, other scholarships, and support from family or friends, a viable plan to meet overall college expenses must be provided in the application. Annual reporting of satisfactory academic performance by Rotary Scholars is a requirement to maintain multi-year scholarship awards. Scholarship recipients are expected to maintain regular communication with the Rotary Club of Lockport, P.O. Box 1199, Lockport, NY 14095 or to [www.lockportrotary.com](http://www.lockportrotary.com) to share results and experiences.

Scholarships are paid directly to the Institution of higher education from Lockport New York Rotary Foundation. Rotary Club communication to the Institution will advocate that this support not impact financial support already pledged by the Institution to the student.
