## *What Our Benefit Money Supports*

100% of Sponsorship Dollars go to projects

There is no overhead!

As we all know and understand, our biggest investment in America's future rests in the hands of articulate and capable adults, providing education and nurturing to children, who will grow up and become the leaders of tomorrow. Given the right circumstances, most kids are capable of becoming productive and contributing citizens. Clover Park Rotary wants your help and donation to give kids in our community the opportunity to succeed at life. Help us support the organizations and partners in this community that provide a healthy start, contribute to effective education and teach kids how to help themselves and others and they grow and mature. Our most recent donations within the community have been:

- Arts Fest
- Build-a-Bike
- Caring for Kids
- Communities in Schools
- Clover Park High School DECA Program
- Crime Stoppers
- First Tee of Tacoma
- Global Hearing Loss
- Lakewood Playhouse Children's Summer Program
- Partner's for Parks
- Springbrook Park Summer Youth Program
- Tyee Park Elementary School Books and Literacy Programs
- Lakewood Youth Christmas Shopping
- Holiday Baskets

Rotary Clubs, throughout the world, are also making an impact in the following areas:

- Healthy and safe stoves for heating huts and cooking food in Guatemala
- Polio Eradication through immunization projects
- International Disaster Relief – Shelter Box
- Global Hearing Loss – portable testing for infants

Your contribution is tax deductible to the extent provided by IRS Regulations.
