

# LITTLETON ROTARY

## WEEKLY BULLETIN

June 10, 2018

### **THIS WEEK IN ROTARY...KATE VAUGHAN JUNE 6, 2018**

In her talk "Jewelry Meets Music", club member Kate Vaughan shared with us how one of the big interests in her life has now benefited another lifelong favorite. Kate has since her youth been a big fan of costume jewelry. She has also long had a love for music - beginning with playing the flute in grade school and for many years serving on the board and currently as vice chair of the North Country Chamber Players.

One piece of jewelry she has owned since purchasing it at a Chamber Players auction in the 80's has increased significantly in value. Kate is currently arranging to sell it to a museum in Newark, NJ, with the proceeds to go to support the Chamber Players which are celebrating their 40th Anniversary season this year.

### **MAY 30, 2018 ROTARY**

left to right: Kim Spaulding, North Country Charter Academy Student Administrative Assistant/Registrar, NCCA Students Emily Trahan & Kelsey Lee, and Jim Hicks, NCCA Center Director, Littleton Site.

It was great to have students and staff from the North Country Charter Academy visit our May 30th club meeting. The students gave us an overview of their project assignments - presenting on topics "What It's Like To Train For A Strongman Competition", and "What You Should Know About Adoption And Foster Care".
